LATEST HAPPENINGS

Thank you to all who were able to come to the Parent Preview last Thursday! The energy was electric, and the students were excited to perform. As you saw, the Mighty Panther Marching Band is on pace to continue its tradition of excellence while entertaining the crowds.

This past Saturday, the Snider Drum Line brought their beats to the Ten Point Coalition program. This program works to bring hope and pride to our neighborhoods while helping reduce crime. Snider was the only FWCS music group to participate, marching through the Oxford neighborhood with foot-tapping grooves that had the whole community moving. We are proud of the way they represented Snider!
